- To manage and develop our business and operations. For example we analyze guest patterns of usage of our hotels and services to help us manage them efficiently and plan for future growth.
- To monitor and analyze information regarding your browsing and viewing preferences and to diagnose problems of the websites.
- For administration and improvement of our website and to enhance the user experience.
- To meet legal and regulatory requirements.

If we wish to use your personal information for an additional purpose, we will always ask you to agree at the point of collection. If you have already supplied us with personal information, you can change your instructions at any time.

WHEN DO WE DISCLOSE PERSONAL INFORMATION

We disclose personal information only in these limited circumstances:

- We may disclose a guest's personal information to a person who, in the reasonable judgment of GHG, is seeking the information as an agent of the guest - for example, a travel agent who is booking a reservation on behalf of the guest.
- Personal information will be shared with a third party involved in supplying the guest with the services they have purchased to the extent necessary to effect the supply and the processing of the transaction.
- Personal information may be shared with a third party retained by GHG to perform functions on its behalf such as reservations handling, data processing or storage, guest surveys or research.
- Personal information may be shared with an agent retained by GHG to evaluate a customer's credit worthiness or in order to collect a customer's account.
- Personal information may be shared with a public authority or an agent of public authority if in the reasonable judgment of TGH it appears that there is an imminent danger to life or property which could be avoided or minimized by disclosure of the information, or which disclosure is compelled by legal authority.

Any such disclosure of a guest's personal information by TGH to a third party will be made only on a confidential basis conditioned upon the information being used only for the purpose for which it has been disclosed.

PRINCIPLES

- GHG will not collect, use or disclose your personal information for any other purpose than those identified above, except with your consent.
- GHG will protect your personal information with appropriate security safeguards.
- GHG will take appropriate steps to protect the confidentiality of your personal information when dealing with third parties.
- GHG will strive to keep your personal information as accurate and up to date as is necessary for the purposes identified above.
- GHG will honour your request to access your personal information in as timely fashion as is reasonably possible.
